ELIGIBILITY RULES FOR PARTICIPANTS:

Basic Skills Levels:

This competition is open to ALL skaters who are eligible members of either the Basic Skills Program and/or are full members of U.S. Figure Skating. To be eligible, skaters must have submitted a membership application or be a member in good standing. Members of other organizations are eligible to compete but must register with the host Basic Skills program/club or any other Basic Skills program/club.

Eligibility will be based on skill level as of closing date of entries. All Snowplow Sam and Basic Skills skaters through Basic 8 must skate at highest level passed or one level higher, and no official U.S. Figure Skating tests may have been passed, including moves in the field or individual dances.

For Free Skate 1-6, Test Track and Well Balanced levels, eligibility will be based on highest free skate test level passed. (The moves-in-the-field test will not determine a skater's competitive level.) Skater may skate at the highest level passed OR one level higher but not both levels in the same event during the same competition.

Upper Levels:

This competition is open to ALL amateur skaters who are current members in good standing with U.S. Figure Skating; current membership with USFS is required and will be verified. Eligibility is based on age and USFS Tests passed as of December 10, 2011 (close of entries). This USFS-sanctioned competition will be conducted according to the rules of U.S. Figure Skating governing non-qualifying competitions as set forth in the 2011 U.S. Figure Skating Rulebook. The 6.0 system of judging will be used.

All professional coaches wishing to enter skaters into this USFS-sanctioned non-qualifying event must be registered following the Coaches Registration Process, as per USFS requirement. This credential will be verified with USFS.

ENTRIES: Skaters may not compete in more than one category of a given event, except for solo dance. For all events where permitted by USFS, male and female skaters may compete against each other if there are insufficient entries to hold a separate event. The competition committee reserves the right to limit the size of each event, to cancel any event with less than two entrants (with refund of entry fee), and to combine or divide groups as necessary.
