May, 2010

The Glens Falls Figure Skating Club is seeking your support for our 2010-11 season, which will include the production of a very special ice show event in commemoration of the ten-year anniversary of the 9/11/01 tragedies.

**"Salute to the Heroes"** is currently being planned for early 2011 (at a date and time to be announced at the end of this summer) to celebrate military & emergency services personnel and our nation's veterans, as well as to remember the victims and families of 9/11/01. We are planning to get local fire and police departments, emergency squads, and military/veterans organizations and families involved to make it a large community-wide event. This will truly be a memorable show for all who participate and attend and we sincerely hope you will be part of our audience for this special event.

We need you to help make our season and our **"Salute to the Heroes"** event successful. There are many ways you can help. Community donations and sponsorships are essential help to offset the ever increasing costs of ice time for our skaters. We have several sponsorship levels at which you can support us, or you can place an ad in our event programs. This year's planned skating events include a holiday family skating party in December and our second annual competition, the **Glens Falls Winter Figure Skating Classic** in early 2011, in addition to our **"Salute to the Heroes"** show.

You can choose to support a single event or the season as a whole. We also welcome in-kind donations for raffle or for general operating help. Please look over the attached page to choose the type and level of support you prefer. Even if you cannot make a donation, you can still help by displaying posters or flyers at your location and by helping to spread the word about our events. You can also help by volunteering at our competition or at our **"Salute to the Heroes"** show. Donations and sponsorships will be recognized on our club website and in our event programs and club newsletters.

The Glens Falls Figure Skating Club, Inc. has been active in the area since 1979, providing learn-to-skate classes and advanced programs for skaters and families throughout the Tri-County area. We are a member club of the US Figure Skating Association. Our mission is to provide a positive environment in which we can foster a lifelong enjoyment of ice skating. We enthusiastically welcome new members and encourage everyone to get involved. Our membership ranges from 3-year-olds to senior citizens. Many of our members are recreational skaters and families who simply participate for the sheer enjoyment that skating offers. Several of our skaters have advanced to compete at the regional and sectional levels of US Figure Skating events. Our annual competition, The Glens Falls Winter Figure Skating Classic, provides a positive, fun competition event for skaters from beginner to advanced levels.

If you have any questions or would like additional information, please feel free to contact me by phone at 518-747-6571 or by email at [michelle@glensfallsfigureskating.com](mailto:michelle@glensfallsfigureskating.com). I also invite you to visit our website to see photos and learn more about the programs we offer.

We hope we can count you among our supporters and look forward to having you be a part of our season's success. On behalf of our entire organization, I extend our thanks for your support.

Sincerely,

*Michelle Capron*
