PROUDLY PRESENTS **SALUTE TO THE HEROES**

Glens Falls Civic Center - Early 2011

The Glens Falls Figure Skating Club is currently planning a very special ice show in early 2011 (exact date and time to be announced at the end of this summer) in commemoration of the ten-year anniversary of the September 11, 2001 tragedies. We are planning to celebrate military & emergency services personnel and our nation's veterans, as well as to pay tribute to the victims and families of 9/11/01.

We will be offering substantial ticket discounts to everyone from the groups we are honoring and we certainly hope you will be part of our audience for this very special event. In addition, we would love to have local organizations participate in our event in various capacities. In addition to participation in the show itself, we also have opportunities in the lobby for groups to have displays, as well as a number of volunteer opportunities during the show. If you or your organization is interested in being part of our event, please fill out the form below and return it to us so we can include you in the planning process.

We hope you and your organization will be part of our event. We look forward to a spectacular event to salute our heroes.
